EDUCATION

San Sebastian College, Recoletos de Cavite
Bachelor of Science in Computer Engineering

2020 to 2024
Cavite, Philippines

- Vice President, Computer Engineering Society.
- Certifications: Databricks Data Engineering; Databricks Generative AI; SQL (Basic), HackerRank; Google Ads Measurement; AI-Powered Performance Ads.

PROFESSIONAL EXPERIENCE

33 Bondi
Marketing and Web Development Specialist

Nov 2025 to Jun 2026
Sydney, Australia (remote)

- Increased qualified leads 38% (104 to 144 per month) and reduced cost per acquisition 34% (USD 168 to USD 111) for Wollongong Granny Flats by restructuring Google Search and Performance Max campaigns across a USD 16K monthly budget.
- Doubled monthly conversions and cut cost per acquisition 48% (USD 436 to USD 227) for furniture brand Obodo by rebuilding the Google Ads account around high value trade buyers.
- Rebuilt the D4 Bioventures website in Wix and launched an authority blog program targeting universities, research institutes, and biotech founders.
- Established GA4 analytics and repeatable growth playbooks across four client accounts, aligning paid campaigns to landing pages for cleaner conversion.

Maya Philippines, Inc. (Maya Business)
Campaign Associate, MSME

Nov 2024 to Nov 2025
Manila, Philippines

- Reactivated 245 dormant borrowers worth PHP 19.18M (about USD 340K) in loan volume and PHP 1.26M (about USD 22K) in service fees by building CleverTap lifecycle journeys on cohorts engineered in SQL, measured against a randomized control group.
- Recovered PHP 219M (about USD 3.9M) in transaction value at 98% product uptime by diagnosing supplier failure and leading a zero downtime marketplace migration with Product and Engineering.
- Drove PHP 467M (about USD 8.3M) in transaction value, up 28%, and grew active transactors 32% through a tiered rewards program modeled with Finance to protect margin.
- Revived a dormant 33,500 member merchant community, lifting active transactors 35% and transaction value 27% through weekly transaction gated engagement campaigns.

Freelance Marketing Specialist

2020 to 2024
Remote

Game Haven, Digital District, Nanowires, Effluve Santé, Imusicapella, Aurore Maison

- Reached 292K users and drove 8,992 link clicks for gaming retailer Game Haven through paid media optimization, creative testing, and ManyChat inquiry automation.
- Grew Digital District engagement 183% and reach 17% using multi photo content and chatbot lead flows.
- Built brand identities and launch campaigns for Effluve Santé and Aurore Maison, plus content for Imusicapella, Grand Prix winner at the 2024 Béla Bartók Competition in Hungary.

Mechatrends Contractors Corporation
Data and Quality Assurance Intern

2024
Kawit, Cavite, Philippines

- Built automated quality assurance dashboards in Excel, cutting manual tracking time 30% and speeding weekly reporting 20%, and validated anomalies with engineers to improve compliance consistency.
